**A Bible School
to Help You
Understand
God's Word**

history

*"Who are these who go forth
ever-enlarging in number
and increasing in number?
Who are these? Yea, they are
those who do know their
God. They are those who do
know His Word."*

- Rev. Kenneth E. Hagin

RHEMA exists to equip men and women to know God's Word. RBTC Botswana carries on the mandate given to the late Kenneth E. Hagin, and continues under the leadership of Kenneth W. Hagin. Laborers are being trained to reach the harvest fields in order to fulfill the Great Commission. Over 45 years later, RHEMA campuses now thrive in 50+ countries around the world. RBTC Botswana is uniquely positioned to help you learn Biblical principles, grow in faith and find your purpose.

courses

RBTC Botswana is a 2-year ministerial training program of 40+ modules designed to equip men and women to serve God effectively in a supportive role or as a full-time minister. Students build a solid foundation of Biblical principles, equipped with practical ministry tools. Graduates who complete this 2-year training program will earn a RHEMA diploma. Please visit rhemabotswana.org for a complete list of module titles and description.

instructors

Reverends Matthew & Kristin Buckley are graduates of RBTC USA and have lived and ministered in Africa since 1989. They will serve as the full-time instructors for RBTC Botswana. Students will also benefit from the instruction of local and guest lecturers from around the world.
